SUBJECT Vesco and Wilson

JACK ANDERSON: Is another fugitive responsible for trapping CIA renegade Ed Wilson?

I'll tell you tomorrow's headlines right after this message.

* * *

Watch for this headline: fugitive financier Robert Vesco helped federal agents trap CIA renegade Ed Wilson.

My sources tell me Vesco and Wilson met to discuss arms sales to Latin America. By cooperating with the government, Vesco could be trying to take the heat off himself.

Also helping with the snare was Wilson's long time aide Bobbie Barnes. She has been granted immunity in exchange for her testimony.
